EXTENDED DAY PROGRAM

Listed below is an outline of the basic Extended Day Program.

EXTENDED DAY SCHEDULE

11:40 – 12:00	Gross motor activities.
12:00 – 12:30	Group lunch time.
12:30 – 12:40	Afternoon students arrive.
12:40 – 1:15	Outside play time (weather permitting).
1:15 – 2:00	Children work in their own classroom (Pre-school or Kindergarten).
2:00	Pick-up time from the playground area.

ALTERNATIVE USE OF PROGRAM

- 1) Children enrolled in both a morning AND a full afternoon program (attending 8:30 – 3:30) may bring a sack lunch and join the Extended Day group from 11:40 – 12:30, for NO EXTRA FEE.
- 2) Children attending ONLY an afternoon program (P.M. Kindergarten or 2 – 3 Afternoon Pre-school class) may bring a sack lunch at 11:40 and join the Extended Day group. Fee: \$5.00/day. At 12:30, these children would join their afternoon classmates for a full three-hour session.
- 3) Children do not have to extend every day on which they are enrolled; i.e., a child attending a 2, 3, or 5 day morning class may be enrolled in Extended Day only on certain days, rather than every day they attend morning class. Fee: \$12/day for 11:30 – 2:00 attendance.
- 4) Hourly rate for children attending Extended Day session for less than the 11:30 – 2:00 time frame: \$5/hour.

HOW TO ENROLL, HOW TO PAY

Children attending Extended Day on a set schedule may include the fee with their monthly tuition payment. Children attending on a “need to stay that day” basis will pay by the day. Payment is due on the day the child attends.

ADVANCE NOTICE

It is necessary to have as much notification as possible regarding the expected “group size” for each day. We ask that parents notify the office in advance when planning to send their child on a non-routine basis, 24 hours prior. You may call in the morning to check availability for any day.

Thank you!
